Classes being offered this SUMMER are as follows!

Kids on Stage: Myths and Magic (Grades K-5)

This class will introduce students to theatre through theatre games, voice and movement exercises, crafts, and creative play. This summer we will be creating and rehearsing performances inspired by mythology and magic. Final performance for family and friends on the last day of class! Open to new and continuing students.

Young Actors: Playmaking (Grades K-5)

It's called a play, so let's play! In this class, students will learn to explore their creativity and imaginations through theatre games, improv exercises, and devised theatre techniques. By playing, they will gain an intuitive understanding of theatre and gain confidence as performers. Final performance for family and friends on the last day of class! Open to new and returning students.

Musical Theatre Prep (Grades 3-8)

Join us this summer for a full day program of classes, rehearsals, and master classes* with visiting Broadway artists. The program culminates in a final showcase of scenes, musical numbers, and choreographed dance routines. This 2-week summer intensive will give students the opportunity to grow and stretch their wings as musical theatre performers. The mornings will be dedicated to learning a wide range of theatrical skills, and the afternoons will be dedicated to the production portion of the show. Students will audition, rehearse, and use their creativity to create props, costumes, etc. On the final day, family and friends will be invited to see the show on stage at Playhouse on Park!

**Master Classes have included Clowning, Dance, Musical Theatre Audition Technique, and more!*

Teens: A Young Actor Prepares (Ages 13-18)

This full-day program offers teen actors an opportunity to get some early pre-professional training as performers. Whether they're interested in auditioning for college theatre programs or simply curious about what it's like to train as an actor, students will thrive in this creative and encouraging theatrical overview. Classes and workshops may include voice and speech, stage combat, scene study, monologue work, improvisation, and audition prep!
